

e-Learning Lingo Podcast Discusses the “Multiple Intelligences Theory”

Waltham, Massachusetts –May 7, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode of the e-Learning Lingo Podcast Series, about a concept used in e-Learning and performance management: “Multiple Intelligences Theory.”

Dave Boggs, CEO of SyberWorks, states, “This week’s episode of the e-Learning Lingo Podcast covers the theory that a person has many intelligences—such as linguistic, musical, and artistic—which have the ability to work together in a training environment.”

About The e-Learning Lingo Podcast

The e-Learning Lingo Podcasts are created by SyberWorks, Inc. as a free service to academia, and a resource to the e-Learning industry at large. Each week, the e-Learning Lingo Podcast Series discusses one or two important terms used by professionals in the e-Learning industry. The e-Learning Lingo Podcast focuses primarily on terms used in e-Learning, Performance Management, and Human Capital Management. The podcasts themselves are very brief and are designed for busy executives or students who don’t have a lot of time.
