

SyberWorks announces a new article available in its Media Center: *"Improving On-The-Job Training with LMS and e-Learning Tools"*

Waltham, Massachusetts –June 2, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces an article available in the SyberWorks Online Media Center: *"Improving On-The-Job Training with LMS and e-Learning Tools,"* by Mary Polley-Berte, Director of Customer Support and Training for SyberWorks.

Mary Kay Lofurno, Director of Marketing at SyberWorks, states, "This article discusses the critical elements of on-the-job training (OJT) and how to use Learning Management System (LMS) and e-Learning tools to improve company training programs. Topics addressed include the pitfalls associated with OJT, OJT development techniques, and more."

The article is located in the SyberWorks Online Media Center at
