

SyberWorks Media Center Presents a New Article – “Polio and e-Learning Build vs. Buy Decisions”

Waltham, Massachusetts – October 23, 2006

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces a new article available in the SyberWorks Online Media Center: “Polio and e-Learning Build vs. Buy Decisions.”

Dave Boggs, CEO of SyberWorks, states:

“Bob Goldschneider, Director of Business Development here at SyberWorks has some interesting observations about the e-Learning build vs. buy decision. The article dispels some myths prevalent in the e-Learning community around the Learning Management Systems build vs. buy decision.”

Boggs continues, “Bob puts a really unique spin on one of the classic company IT decisions while providing some very useful information about when to buy or build an e-Learning / Learning Management Systems solution.”

The article is located in the SyberWorks Online Media Center at <http://www.syberworks.com/articles/polioande.htm>.
