

## SyberWorks LMS e-Learning Implementation Podcast #1: SyberWorks announces a new 'Success Story' Podcast Series

Waltham, Massachusetts –September 18, 2006

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, today announces a new 'Success Story' Podcast Series', available in the SyberWorks Media Center.

Dave Boggs, CEO of SyberWorks, states:

*"Many companies find case studies are very useful because they give you an in-depth, hands-on look at how an e-Learning initiative came to fruition and was constructed. The SyberWorks 'Success Story' Podcast Series offers concise, audio case studies that convey key elements of an organization's application of e-Learning/Learning Management System technology to their specific business scenario."*

Boggs continues, "In our first SyberWorks 'e-Learning Success Story' podcast, Kevin Lange, Director of Field Training at Service Master Clean, Inc., talks about his company's training program and the organizational drivers that led them to consider an e-Learning program and to choose the SyberWorks Training Center Learning Management System to manage their training. Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.

The first episode of the SyberWorks 'Success Story' Podcast Series is located in the SyberWorks Media Center at [http://www.syberworks.com/success\\_podcast.htm](http://www.syberworks.com/success_podcast.htm) in the About Us section of the SyberWorks web site.
